

Marari Villas

Marari Villas is the first company to offer boutique serviced villas and cottages on beautiful Marari Beach in central Kerala. Located on a secluded beach at Mararikulam in Alleppey district of Kerala, Marari Villas is a concept developed by Rupert and Olga a British-Russian couple. The properties offer 'boutique serviced villa' experience that offers greater privacy and a small scale, more personal alternative to resorts. Each property is serviced with a team of Villa Host, Chef and Housekeeper to cater exclusively for guests. The villas are a blend of modern design and traditional vernacular styles, creating inspiring indoor-outdoor living spaces ideally suited to the tropical environment of Kerala.

Palm Beach Villa

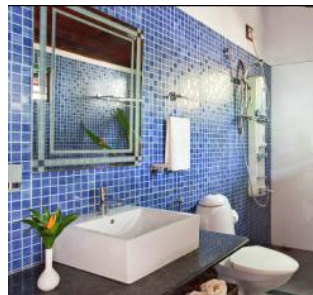

The Palm Villa is located near Bougainvillea, 2 km South of Orchid/Hibiscus and is right on the beach, just meters from the Arabian Sea, with a private sandy beach garden and sea views from all rooms. Two wings in the Palm Beach Villa may be booked separately, at opposite ends of the villa, so privacy is not compromised.
